

**LOVE  
DINGLEY  
VILLAGE?**

We need you!

## We need your energy and passion!

As owner of the former Kingswood Dingley Village site, AustralianSuper needs your ideas about how you'd like to see the space developed.

The Victorian Government recently announced a new process for golf course redevelopment. New Planning Guidelines are expected to be known in early 2020. When these are known, we will decide how to refresh our proposal.

In the meantime, we would like to meet you and hear your ideas about the space. This is a once-in-a-generation opportunity for the people who live in and love Dingley Village to help shape the way your community grows.
