

Small steps to grow your future savings

Working together we can help achieve your best retirement outcome. It's your small actions now, combined with our help and guidance along the way that can add up to more super savings for you in the future.

Follow these simple steps to help better your financial future.

Three simple steps

Choose a good super fund

Choosing a fund that has low fees, a history of strong long-term performance and puts members' profits before its own is a great place to start.

Consolidate your super accounts

There are actions you can do to reduce fees that come from holding multiple super accounts. It's easy to combine your other accounts into AustralianSuper*.

Check your insurance cover

Most super funds offer default insurance for death, and temporary or permanent disablement (TPD). It's worthwhile checking if you have adequate cover, need additional cover or if you're paying for premiums you're not aware of.
