

AustralianSuper Select for Deloitte

About this booklet

The information in this booklet forms part of the *AustralianSuper Select Product Disclosure Statement* prepared on 28 September 2024.

It's specific to permanent employees of The Trustee for Deloitte Services Trust and its entities¹, as the contributing employer (referred to as Deloitte in this booklet). Important information about the key features and benefits of being with AustralianSuper Select is published in the *AustralianSuper Select Product Disclosure Statement*.

If you're an existing AustralianSuper member and not in AustralianSuper Select for Deloitte, please refer to the relevant Product Disclosure Statement for your plan.

If you're a non-permanent employee you're not eligible to join AustralianSuper Select. Please speak to your employer to discuss your options.

Types of insurance cover

AustralianSuper insurance is provided by TAL Life Limited (the Insurer) ABN 70 050 109 450, AFSL 237848.

AustralianSuper offers the following types of insurance cover:

Death	Can help ease financial stress by paying a lump sum to your beneficiaries if you die.
Total & Permanent Disablement (TPD)	Can provide a lump sum if you become totally and permanently disabled and can no longer work.
Income Protection	Can provide monthly payments to help you get by if you become ill or injured (at work or outside of work) and can't work.

If you have Death or TPD cover you're also covered for terminal illness. This can help ease some of the financial stress if you're suffering from a terminal medical condition.

Your insurance cover

Your super account comes with basic insurance cover which is arranged by your employer (see the Basic cover section). This cover provides a basic level of protection if you die or become ill or injured.

Basic cover will start automatically if you're 25 or older; and your super balance reaches \$6,000; and you've received an employer super contribution after you meet both age and balance requirements (other conditions apply). You'll also need to have enough money in your super account to cover the cost of the first month of insurance.

You can apply to start your basic cover earlier, without providing detailed health information (conditions apply), by completing the *Start your basic cover* form you received with your welcome letter.

Important information

See the *Insurance in your super* guide for AustralianSuper Select members at australiansuper.com/deloitte for more information about your AustralianSuper Select insurance. It details important information about insurance including your eligibility for cover, how much you can apply for, when it starts and stops, active employment, limited cover and exclusions, your insurance options, and what happens if you leave your AustralianSuper Select employer.

Your eligibility to claim for benefits will be determined in line with the insurance policy terms and conditions.

¹ Deloitte Legal Pty Ltd, Deloitte Migration Services Pty Ltd, Deloitte OGC Pty Ltd, The Trustee for Deloitte Australia Trust, The Trustee for Placeflex Trust, Yamagigu Consulting Pty Ltd

Cost of your cover

You pay the cost of your cover which is deducted monthly from your super account. Your first payment may be higher than your ongoing monthly payments. That's because it includes insurance costs from the date your cover started to the date of your first payment deduction (which may be for a period that's longer than a month).

Insurance costs include stamp duty charges and costs incurred by the Trustee for administering insurance arrangements.

Basic cover

Eligible permanent employees will receive a basic level of insurance cover with a Professional category work rating. Basic cover is salary based and your employer informs us of your salary to calculate your cover (age limits apply).

See below for the definition of salary.

Your basic Death and TPD cover amounts will change from month to month depending on your salary and your length of service to age 65.

To work out how much basic cover you could get and the cost of it, you can use the Deloitte AustralianSuper Select insurance calculator at australiansuper.com/deloitte

Cover type	Death	TPD	Income Protection
Basic cover design	15% x your salary x future service ¹ to age 65 or \$1.5M (whichever is lower).	15% x your salary x future service ¹ to age 65 or \$1.5M (whichever is lower).	85% of monthly salary or \$14,000 a month (whichever is lower). Up to 75% is paid to you and up to 10% to your super. Your Income Protection has a benefit payment period up to five years and a 60-day waiting period.
Age basic cover ends²	Cover ends at age 65.	Cover ends at age 65.	Cover ends at age 65.

¹ Future service is defined as the number of complete years and months until you turn 65. A partial month is rounded up to the nearest whole month.

² Cover can stop for many reasons. For a list of events that can make cover stop, see the *Insurance in your super* guide for AustralianSuper Select members.

Definition of salary

The following salary definition determines the salary details we use to calculate your insurance cover.

If you're not on a parental leave arrangement:

- Deloitte Salary for insurance cover means your Total Package Value (TPV), excluding super. TPV includes the annual remuneration you earn from your employer, excluding directors' fees, commissions, bonuses, overtime payments and any other additional payments except to the extent (if any) that your employer decides and notifies AustralianSuper.

If you're on a parental leave arrangement (including while you are working part-time as part of your parental leave arrangement):

- Deloitte Salary for insurance cover means your Total Package Value (TPV), excluding super. TPV includes the annual remuneration you would have earned from your employer had you not been on a parental leave arrangement (your last reported salary before you started parental leave), excluding directors' fees, commissions, bonuses, overtime payments and any other additional payments except to the extent (if any) that your employer decides and notifies AustralianSuper.

When your basic cover changes in line with your salary

Your employer will tell us if there's a change to your salary. When your basic cover is salary based, the amount and cost of it will increase or decrease automatically in line with your salary. It can increase up to the automatic limit(s) shown in the table below without you having to provide detailed health information:

Automatic limit(s)	
Death and TPD cover	Income Protection
\$1.5M	\$14,000 a month

We'll write to you about your options if your basic cover has reached the automatic limit(s). To increase your basic cover in line with your salary above the automatic limit(s), you'll need to provide detailed health information for the Insurer to consider.

Change your cover anytime

You can cancel, change or apply for insurance anytime by logging into your account or completing the *Change your insurance* form at australiansuper.com/select. You may need to provide detailed health information for the Insurer to consider.

The cost of any additional cover you apply for will be paid by you and deducted monthly from your super account.

For more information about changing or cancelling your cover, see the *AustralianSuper Select Product Disclosure Statement* and the *Insurance in your super* guide for AustralianSuper Select members at australiansuper.com/select

About work ratings

As a member of AustralianSuper Select, you have both an **individual** work rating and a **category** work rating. These work ratings are used to calculate the cost of your cover.

Your category work rating is unique to your AustralianSuper Select employer and only applies while you're their employee. You can't change your category work rating because it's arranged by your employer.

If your category and individual work ratings are different, we'll apply the less expensive work rating to calculate the cost of your cover. This is your **applied** work rating. Check your applied work rating by logging into your account.

You'll need to know your applied work rating to calculate the cost of your cover. See pages 4 and 5 to learn how.

Individual work rating

Your individual work rating is **Blue Collar** unless you're eligible to change to White Collar or Professional and your application is approved by the Insurer.

Insurance cover with a Blue Collar work rating is the most expensive.

Category work rating

Your category work rating is **Professional** and applies only while you're an employee of Deloitte.

Changing your individual work rating

If you think you might be eligible for an individual work rating that's White Collar or Professional, you can apply for either of these work ratings. If you're eligible, you could pay less for your cover:

- while you're in AustralianSuper Select if the individual work rating that applies to you is the less expensive work rating than your category work rating, and
- if you leave Deloitte and keep your cover when you move from AustralianSuper Select to AustralianSuper plan.

Apply to change your individual work rating by completing the *Change your individual work rating* form available at australiansuper.com/select

What happens if you're no longer eligible for AustralianSuper Select

We'll move your super account from AustralianSuper Select to AustralianSuper plan if you're no longer eligible. You won't be eligible for AustralianSuper Select if you leave Deloitte or you've had a change in employment type (which isn't eligible for AustralianSuper Select – see page 1).

In AustralianSuper plan you'll pay for the cost of your total cover which will be deducted monthly from your super account.

Your AustralianSuper Select category work rating will no longer apply, and the cost of your cover will be based on your age, level of cover and your individual work rating. We'll write to you if this happens.

If you have a cover type in AustralianSuper Select:

you'll keep the same amount of cover when you move to AustralianSuper plan and it will become fixed cover (if eligible). There may be circumstances where you'll need to opt in to keep your cover. We'll write to you if this happens.

If you don't have a cover type¹ in AustralianSuper Select:

you won't receive that cover type in AustralianSuper plan. If your AustralianSuper Select basic cover hasn't started because you're under 25 and/or your account balance hasn't reached \$6,000, you may receive basic cover for AustralianSuper plan once you're eligible.

To learn more, see the *Changing jobs? Take AustralianSuper with you* section in the *Insurance in your super* guide for AustralianSuper Select members at australiansuper.com/deloitte

¹ You may not have a cover type in AustralianSuper Select because: you weren't eligible to receive it automatically, it's not included in your AustralianSuper Select basic cover (arranged by your employer), or you've cancelled or opted out of that cover type.

Calculating the weekly cost of Death and TPD cover

1. Divide the amount of cover you have, or wish to apply for, by \$10,000.
2. Then multiply by the weekly cost for \$10,000 of Death or TPD cover for your age and a Professional work rating.

Example (Professional work rating):

Sally is 31 and has a Professional work rating.

She has \$500,000 of Death cover and \$500,000 of TPD cover.

To work out the weekly cost of her Death cover:

$$\frac{500,000}{10,000} \times 0.036 = 1.800$$

The cost of Sally's Death cover is \$1.80 a week.

To work out the weekly cost of her TPD cover:

$$\frac{500,000}{10,000} \times 0.027 = 1.350$$

The cost of Sally's TPD cover is \$1.35 a week.

¹ Cost for fixed Death cover only. Salary-based Death cover ends at age 65. See the *Insurance in your super* guide for AustralianSuper Select members for more information.

Total weekly costs are quoted gross of tax. Costs are rounded.

Total weekly costs are quoted gross of tax. Costs are rounded.

Calculating the weekly cost of Income Protection

1. Divide the amount of cover you have, or wish to apply for, by \$100.
2. Then multiply by the weekly cost for \$100 a month of Income Protection for a Professional work rating, your age, benefit payment period and waiting period.

Example (Professional work rating):

Sally is 31. She has \$6,300 a month of Income Protection with a benefit payment period up to five years, a 60-day waiting period and a Professional work rating.

To work out the weekly cost of her Income Protection:

$$\frac{6,300}{100} \times 0.043 = 2.709$$

The cost of Sally's Income Protection is \$2.71 a week.

Useful things you should know

Limited cover and full cover

Limited cover means you don't have full cover and you won't be covered for any pre-existing illnesses or injuries you had before you got your cover. Limited cover may last for different lengths of time and applies to all cover types, including Death cover. You'll be covered for an illness that becomes apparent, or an injury that occurs on or after the date that your cover starts, restarts or increases.

Full cover means your cover is not limited cover. You're covered for both pre-existing and new illnesses or injuries, unless exclusions apply.

To learn more and understand other circumstances for limited cover see the *Limited cover* section in the *Insurance in your super* guide for AustralianSuper Select members at australiansuper.com/deloitte

Income Protection payments

If you're eligible for Income Protection benefit payments, you'll either get a total or partial disability benefit payment. How much you get each month will depend on your claim and whether you're receiving income from other sources. If you're on a parental leave arrangement, any parental leave payments you receive from Deloitte may reduce your Income Protection benefit payments.

To find out more see the *Claiming an Income Protection benefit payment* section in the *Insurance in your super* guide for AustralianSuper Select members at australiansuper.com/deloitte

Claiming on your cover

Your eligibility to claim for benefits will be determined in line with the insurance policy terms and conditions. The table below provides handy details if you need to make a claim.
