WHY JOIN AUSTRALIANSUPER

Your super  
matters

March 2019

Here are three great reasons why over 2.3 million Australians trust us to grow their savings.

# 1

## It's your fund

AustralianSuper is run only for members. We don't pay profits or dividends to shareholders, so what we make goes back into the fund. This means we can keep fees low, like the \$2.25 a week administration fee\*.

# 2

## Size that works for you

As the largest industry super fund in Australia, our size and scale gives you access to some of the world's best investments which have delivered strong long-term returns†. We manage over \$142 billion in assets on behalf of more than 2.3 million members‡.

\* Other fees may apply.

† Investment returns are not guaranteed. Past performance is not a reliable indicator of future returns.

‡ At 31 December 2018.

# 3 We make super simple

With a range of super products to cater for every life stage, your choice is easy. With an online account and mobile app, you can keep track of your super wherever you are.
