WHY JOIN AUSTRALIANSUPER

Your super matters

April 2020
Here are three great reasons why 1 in 10 working Australians trust us to grow their savings.

1. **It’s your fund**

AustralianSuper is run only for members. We don’t pay profits or dividends to shareholders, so what we make goes back into the fund. This means we can keep fees low.

2. **Size that works for you**

As the largest industry super fund in Australia, our size and scale gives you access to a range of investments which have delivered strong long-term returns*. We manage over $184 billion in assets on behalf of 2.2 million members†.

---

* Investment returns are not guaranteed. Past performance is not a reliable indicator of future returns.
† At 31 December 2019.
