

AustralianSuper will only make changes to each type of cover you change in this form. When you cancel your cover you won't be insured for that cover from the date your cancellation is accepted. This means for the type of cover you cancel:

- You (or your beneficiaries) won't be able to make an insurance claim if something happens after the cancellation.
- The cost will stop being deducted from your account (costs are deducted one month in arrears).
- You might not be able to get cover later. That's because you'll need to reapply and provide health information for the Insurer to consider.

If you're replacing this cover with another insurance policy, before you cancel you should wait until the other insurer confirms your cover has started.

You should consider getting financial advice to help work out if cancellation is right for you.
