

Seamless Transfer of your Member Direct account

If you are currently invested in Member Direct use this form to open a Choice Income account without having to sell and re-purchase your holdings in Member Direct, preventing the trigger of capital gains and losses.

Who should use this form?

This form is to be used by members with an existing Member Direct account who wish to open a Choice Income account without having to sell their existing holding in Member Direct.

How Seamless Transfer works

We transfer your existing Member Direct account balance from your super account to a new Choice Income account. Transferring means you can stay invested and removes any costs associated with transaction costs and market risk. For Seamless Transfer, the whole Member Direct balance must be transferred across – partial transfers of your Member Direct account are not possible.

Important information about Seamless Transfer

- Seamless Transfer is tax free. It does not realise any capital gains or losses. When you Seamless Transfer, any unused realised or unrealised capital losses will no longer be useable to offset future realised capital gains in Choice Income.
- You won't have access to trade, or be able to monitor investments while they're being transferred. The process to open a new Choice Income account and to transfer your Member Direct account can take up to 14 business days. You'll receive an email confirmation when the transfer is complete.
- Seamless Transfer cannot commence when certain types of corporate actions are pending.
- Limit orders must be completed or cancelled before requesting a Seamless Transfer.

- Seamless Transfer can only take place after your Choice Income account is set up. Your new Choice Income account won't start until all funds have been received (no earnings apply on money during the transfer process and market movements may occur during this period).
- Term deposits are not transferrable with Seamless Transfer. This means we'll break the term deposit(s) if it is not matured before we complete the transfer. Your effective rate of interest will be reduced in accordance with the discount factors available at australiansuper.com/MemberDirect
- Funds in your cash account will be transferred to your Choice Income account without any change.
- Minimum balance requirements on the cash account and investment limits on balances and trades will continue to apply after Seamless Transfer is completed.
