STEP 3. IS THIS A WHOLE OR PARTIAL BALANCE ROLLOVER?

- Whole – I'd like to transfer the whole balance of this account. This means you're asking us to close your other super account.
- Partial – I'd like to transfer a nominated amount: \$, , .00

If you have more than one account with this fund, or want to combine your super from multiple funds, you can photocopy this form. You must complete a separate form, with original signature for each account you wish to combine into your AustralianSuper account.

STEP 4. YOUR TAX FILE NUMBER

Use my Tax File Number (TFN) to process my super rollover.

Enter your TFN here

By giving us your TFN, you are authorising us to give this information to your other super fund. They'll confirm your ID with the Australian Tax Office.

STEP 5. SIGN THIS FORM

By signing this request form I'm making the following statements:

- I declare I've fully read this form and the information completed is true and correct.
- I'm aware I may ask my super provider for information about any fees or charges that may apply, or any other information about the effect this transfer may have on my benefits such as insurance cover, and do not require any further information.
- I discharge the super provider of my FROM fund of all further liability in respect of the benefits paid and transferred to AustralianSuper.

- I authorise AustralianSuper (or its agents) to contact my other super fund regarding this request to combine my super from that fund into my AustralianSuper account only.
- I'm aware that once my completed form is received by AustralianSuper, it will usually be processed within three business days.
- I've read the Privacy Collection Statement below and I understand how AustralianSuper will use my personal information.

Date

Important information

1. You can't nominate a balance transfer date. The balance transfer will start within three business days of the date we receive your completed application.
2. Remember to check if your old fund charges exit fees and that you no longer need the insurance cover provided by your old fund (if any).
3. If you're making a whole balance transfer, check any remaining employer contributions have been received and no future payments will be made into your FROM account.
4. This form doesn't:
 - transfer super benefits if you don't know where your super is
 - transfer benefits from multiple funds on one form – you must use a separate form for each fund you wish to transfer
 - change the fund to which your employer pays your contributions

- open a new super account, or
- transfer benefits under certain conditions or circumstances, for example if there is a superannuation agreement under the Family Law Act 1975 in place.

Providing your TFN

The law allows super funds to ask for TFNs. You don't have to give us your TFN but it's a good idea if you do. If you don't, you'll pay more tax on super benefit payments and before-tax contributions, and we won't be able to accept after-tax contributions from you. It will also make finding lost super easier.

We follow laws on how we can use your TFN, which may change. If we transfer your super to another fund, we'll give your TFN to the other fund unless you tell us not to in writing. For more about how we use your TFN, go to australiansuper.com/RefTFN
