- · At your request, AustralianSuper will use your TFN to conduct a search for any lost super you may have with the ATO or other super funds. To request this search go to australiansuper.com/FindAndCombine and log into your account. Any lost super found will be auto-consolidated into your AustralianSuper account as soon as it's found.

We're authorised under super law to collect, use and disclose your Tax File Number (TFN). You don't have to provide your TFN, but if we have it, we'll be able to accept all types of contributions into your account, you won't pay more tax than you need to and it'll be easier to find your super. If you transfer your super to another fund, we'll give them your TFN unless you tell us not to in writing. Visit australiansuper.com/RefTFN for more details.
