Apply for a payment (financial hardship)

How to apply

Follow the instructions on this form to apply for a payment from your super.

You generally need to be permanently retired from work and have reached your preservation age to access your super savings. However, if you're struggling financially, you may be able to access some or all of your super to meet your immediate needs.

The fastest way of accessing your super due to financial hardship is to apply online. Not only is it simple and secure, but when applying online we can match your identity document details (e.g. driver's licence number) against secure databases.

Simply log into your account at australiansuper.com/login and complete the online form.

If you can't transact entirely online, minimise the chances of your documents getting lost or going to the wrong department by sending soft (digital) copies back to us via our Upload a document page.

IMPORTANT: Select Apply for a payment (financial hardship) from dropdown menu when uploading your form and documents

1 Check that you're eligible

Applying before reaching your preservation age

You can apply to access up to \$10,000 of your super under severe financial hardship, if you:

- · haven't made a withdrawal from any super fund under financial hardship in the past 12 months, and
- are currently receiving and have been receiving eligible Commonwealth income support payments for at least 26 continuous weeks, and
- · can't meet reasonable and immediate family living expenses.

Note: If you're under your preservation age and you've claimed for financial hardship in the past 12 months, you'll need to wait 12 months after the date of your previous claim before you can claim again.

Applying after reaching your preservation age

If you've reached your preservation age plus 39 weeks you can apply for any amount if:

- you've been receiving eligible Commonwealth income support payments for a cumulative period of at least 39 weeks since reaching your preservation age, and
- you're unemployed or employed for less than ten hours a week when you make your application for payment under financial hardship.

You're not eligible to apply for a payment on financial hardship grounds if you're a temporary resident in Australia.

Use this table to find your preservation age

Date of birth	Preservation age
Before 1 July 1960	55
1 July 1960 to 30 June 1961	56
1 July 1961 to 30 June 1962	57
1 July 1962 to 30 June 1963	58
1 July 1963 to 30 June 1964	59
1 July 1964 or after	60

2 What you need to apply

- · Your Centrelink Customer Reference Number
- Proof of your identity. There are two ways you can provide your proof of identity:
 - you can choose to have your identity electronically verified, or
 - you can choose to attach certified paper copies of your proof of identity documents to this application. Read page 2 of this form for information about how to do this.

Things you should know

- If you're withdrawing your whole account balance, your account will be closed and any insurance cover you have will end.
- If you want to keep your account open, you'll need to leave a minimum of \$1,000 in your account after the withdrawal.
- If you want to keep your insurance cover, you'll need to keep a minimum balance to cover the cost of your ongoing insurance cover. Cover may stop for many reasons, including if no money is received into your super account for 16 months. To learn more, please read the 'When cover stops' section in the Insurance in your super guide for your division at australiansuper.com/InsuranceGuide
- Please ensure you complete the application in full and provide all the necessary documents, properly certified. We can't process your application if it's not complete and you haven't included the necessary documents.
- · Once we receive your completed form and proof of identity, it usually takes around five business days to process your request.

Claiming a tax deduction for personal super contributions

If you have made personal contributions during the year you might be able to claim a tax deduction. To claim a tax deduction for personal super contributions, you must send us a claim form and receive a confirmation of it having been processed, before you withdraw your super benefit or close your account. We can't accept your request for a tax deduction after an application for a benefit payment or to open a retirement income account has been processed. To find out more about claiming a tax deduction for personal super contributions, see our Tax and super fact sheet at australiansuper.com/factsheets

Before applying for a payment...

- how it will impact your retirement
- if you'll need to pay more tax
- any impacts it will have on benefits you're receiving i.e. Centrelink, Work Cover etc

Former UK pension funds transferred into your account

If you've transferred a pension fund from the UK into your AustralianSuper account within the last ten years, we're required to report any payments or transfers to

HM Revenue & Customs in the UK. And if the UK Government considers you to be a UK tax resident at the time of payment or at anytime during the preceding ten UK tax years, you may have to pay tax to the UK Government. The UK Government will contact you regarding any tax you have to pay.

For more information on UK tax, contact HM Revenue & Customs directly at hmrc.gov.uk or on 001144 3000 533 148. Please have your UK National Insurance number on hand.

How to certify your documents

Read this section if you choose to attach paper copies of certified documentation for providing proof of your identity. Alternatively, you can use electronic verification. See section 5 of this form for details.

Get your ID documents and photocopies ready for certification

Take both the ORIGINAL and a photocopy of your CURRENT driver's licence, passport or governmentissued proof of age card to someone who is authorised to certify ID (e.g. a police officer, a medical practitioner, a lawyer, a post office employee or a financial adviser or planner.). If you are using your driver's licence or government-issued proof of age card, you'll need to photocopy BOTH sides.

All ID must have the same name and residential address that we have for your super account.

2 Ask them to certify your ID

To certify your ID, the authorised person needs to compare the photocopy to the ORIGINAL and include the following details on the copy:

- stamp or write 'I certify that this document is a true copy of the original sighted by me on this day [date],[month],[year]'
- their qualification (such as police officer)
- · their name
- their registration number (if applicable)
- their signature and the date it was signed.

Every page of the documents we receive from you must have been certified and dated within the last 6 months. Undated documents will be rejected.

For a list of who can certify your ID for you, go to australiansuper.com/IDHelp for more information.

To the best of my knowledge, the information I have provided on this form is correct. I declare that I am unable to meet my reasonable and immediate family living expenses and I do not have any assets (apart from my home, if I own it) which could reasonably or realistically be used or sold to cover this gap (applicable only if I have selected Option I in Step 4 of this form). These assets could include money in the bank, share investments, an investment property (not including my family home) or any other similar investment.

I have read the Privacy Collection Statement as set out on page 2 of this form, and I understand how AustralianSuper will use my personal information. Where authorised, AustralianSuper and its administrator may use my details to contact Centrelink to verify that I'm eligible to receive a payment for financial hardship and to check my identity using personal and other information held on electronic databases, including third party databases.

I confirm I am either an Australian citizen/permanent resident or a New Zealand citizen.

I understand that if I withdraw my whole account balance this will close my AustralianSuper account and any insurance cover will end. AustralianSuper will no longer have any responsibility for my account.

I understand if you receive any contributions after my account has been closed you may open a new account for me.

Lauthorise:

- AustralianSuper and its administrator to use Centrelink Confirmation eServices to perform a Centrelink superannuation confirmation enquiry of my customer details.
- Services Australia to provide the results of that enquiry to AustralianSuper and its administrator.

Lunderstand that:

- Services Australia will use information I've provided to AustralianSuper and its administrator to confirm my eligibility for early release of superannuation on the grounds of financial hardship based on whether I have been in receipt of a qualifying Centrelink payment for a specified period.
- Services Australia will disclose to AustralianSuper and its administrator my personal information including my name, date of birth and payment status.
- this consent, once signed, remains valid while I'm a member of AustralianSuper unless I withdraw it by contacting AustralianSuper or Services Australia.
- if I withdraw my consent or do not alternatively provide proof of my circumstances/details, I may not be eligible for the early release of superannuation on the grounds of financial hardship provided by AustralianSuper.
- if I have not reached preservation age I can only receive a Financial Hardship payment once every 12 months.
