¹ Online calculators allow you to explore your potential options in more detail. The outcome produced from an online calculator is illustrative only, and relies upon assumptions that if varied could change the result. It is not intended to be relied on for the purposes of making a decision in relation to a particular financial product. Before taking action you will need to consider the appropriateness of the financial outcomes, taking into account your objectives, financial situation and needs and read the relevant Product Disclosure Statement.

² Personal financial product advice is provided under the Australian Financial Services Licence held by a third party and not by AustralianSuper Pty Ltd. Fees may apply.

Insurance cover

We recognise how important it is to have insurance and we use the benefits of scale to offer cover to members. Together with our Insurer¹, we work hard to keep our cover sustainable and affordable.

When joining AustralianSuper most members get a basic level of cover automatically² which includes:

- Death cover
- Total & Permanent Disablement (TPD) cover
- Income Protection
- Terminal illness³

¹ AustralianSuper insurance is provided by TAL Life Limited (the Insurer), ABN 70 050 109 450, AFSL 237848.

² The cover provided automatically is based on your plan, age, account balance and if you are receiving contributions. You can apply to increase, decrease or cancel your cover anytime. Age limits and other conditions apply. Read your plan's Insurance in your super guide at australiansuper.com/InsuranceGuide for more information.

³ If you have Death or TPD cover you're also covered for terminal illness.

Here are three great reasons why 1 in 10 working Australians trust us to grow their retirement savings.

1 It's your fund

AustralianSuper is a profit-for-member fund, this means any profit we make is for members not shareholders.

2 Size that works for you

We're Australia's largest super fund and have consistently delivered top, long-term investment performance¹ for members. We manage over \$261 billion in assets on behalf of 2.71 million members².

3 We make super simple

With a range of super products to cater for every life stage, your choice is easy. Plus, you can keep track of your super wherever you are online or via the mobile app.
