Here are three great reasons why 1 in 7 working Australians¹ trust us to grow their retirement savings

1

It's your fund

AustralianSuper is a profit-for-member fund. This means profit we make is for members not shareholders.

2

Size that works for you

We're Australia's largest² super fund with a history of delivering top, long-term investment performance³ for members. We manage over \$365 billion in assets on behalf of over 3.5 million members⁴.

3

We make super simple

With a range of super products to cater for every life stage, your choice is easy. Plus, you can keep track of your super wherever you are, online or via the mobile app.

Insurance cover

We recognise how important it is to have insurance and we use the benefits of scale to offer cover to members. Together with our Insurer¹, we work hard to keep our cover sustainable and affordable.

When joining AustralianSuper most members get a basic level of cover automatically² which includes:

- Death cover
- Total & Permanent Disablement (TPD) cover
- Income Protection.

If you have Death or TPD cover you're also covered for terminal illness.
